Winter Newsletter

As we welcome 2026 with open arms, our hearts are full of gratitude for the beautiful memories we've shared over the past few months, filled with so much love, laughter, and celebration. I hope you enjoy looking back on these moments that have made the end of 2025 truly special.

A Christmas cracker!

We began the festive season with the switching on of our Christmas lights. Our home was transformed into a winter wonderland, complete with snow and even a few penguins! Residents and guests enjoyed spending time with our feathered friends, holding them on their knee or stroking them. And we all enjoyed a sing-along to a few carols and Christmas songs.

The gift of Christmas

In December, residents Clare and Elizabeth enjoyed a wonderful shopping trip with lifestyle coordinator Linda to Brookfields. The shopping centre looked very festive with lots of twinkling lights, and they both enjoyed picking gifts for their families and friends. Our nursing care and rehabilitation services focus on improving our residents' independence and this is encouraged through various trips and days out.

“A holly jolly Christmas...”

Our residents had lots of fun during the festive season with lots of Christmas-themed activities and crafts, including painting and decorating beautiful handmade wreaths. These types of activities help to improve our residents’ fine motor skills and boost their wellbeing, and there is always plenty of conversation and laughter.

Spooktacular fun!

In October we had lots of spooky fun at our Halloween party and disco. It was a real treat, no tricks, as we also celebrated Simon, Fatima, Gary, and Ricky’s birthdays. Ahead of the party, some of our residents had fun carving and decorating pumpkins, which looked spooktacular at our party!
